Research  
Event

We are proud to announce the 15th Annual C.A.R.E. (Cancer and Alzheimer Research Event) to benefit the Prostate Cancer Foundation, The Alzheimer's Association, Southeastern Wisconsin Chapter and The MACC Fund (Midwest Athletes Against Childhood Cancer).

Because of all the friends of C.A.R.E. who donate, sponsor, and volunteer their time, we continue to have great success in raising money for our charities. First and foremost, our goal is to raise awareness and help support their research programs. Our second goal is to have a great day of golf with friends and family! In case of a rain out, the reception will still take place, at 3:00 PM.

Donations of auction items and money are greatly appreciated, visit our website or contact us to donate. For more information, to Register, Donate, or Sponsor our event, visit [caregolfouting.com](http://caregolfouting.com) or contact Doug Meinholz at (262) 510-4606 or email [doug@caregolfouting.com](mailto:doug@caregolfouting.com).
